

Southbend

How to contact us:

Support or General questions

Phone: 1.888.892.1370

Email: Southbend.Service@campustech.net

Hours of Operation

M-F : 10am to 8pm EST

Saturday and Sunday : On-call between 10am and 6pm EST

If you are experiencing an issue outside of the Hours of Operation you can still give us a call and leave a message with our answering service. Your call will generate an issue ticket and you will receive a call back when our support office has reopened.

Your Services:

High Speed internet

-Speeds up to 3 MB download, 512k upload

How to connect to the Internet

The internet provided to the property is a wireless connection.

Enable the wireless network connection on your computer and search for available networks. The Network Password can be obtained by contacting Campus Technologies Customer Service or your property leasing office.

- Building 835 – Connect to network “Southbend835_RES”
- Building 820 – Connect to network “Southbend820_RES”
- Building 832 – Connect to network “Southbend_RES”

How to connect a gaming console or other devices to the Internet

If you have a gaming console, cell phone or other device you are trying to connect to the internet, connect it to the corresponding wireless network for that building.
